Our Services

We are in the unique position of directly employing skilled trades which enable us to self deliver a range of specialist flooring services. We have long standing agreements in place with all major flooring suppliers which enables us to provide the following types of specialist flooring in-house and more, while providing real cost savings to our customers.

Our services include:

- All types of soft flooring
- Broadloom carpet, carpet tiles, vinyl floor coverings and luxury vinyl tiles
- Matting - rigid and flexible entrance barrier matting
- High performance self levelling screeds
- Subfloor preparation
- Design services

We are a member of The Contract Flooring Association and are highly experienced at delivering these services across a broad range of sectors including commercial office, retail, education, healthcare and production and manufacturing.
